**!!!**

The Deep State and the Pentagon (or: This Applies to Peking Tiananmen Square Palace and to the Kremlin and to all other Headquarters - MUTATIS MUTANDIS, AND GROSSO MODO - because it can't be any other way; or: I've wasted enough of my time with all you CLOWNS - now we're translating High Theory incl. in relation to Schmitt! Or: Everyone has their own bigger or smaller brain capacity and everyone should respect everyone else's

limitations; or: Don't think I hate Americans or Jews in general and as such - I don't (I obviously don't - look at how many Americans and or Jews (+ Protestants, Northern and Central Europeans, Catholics, et al.) I have referred to with admiration on and within and all over this Site!) BUT there are, as a matter of REALITY, Real-World Power Struggles, and Everyone with a conscience **MUST - HIS HEART TELLS HIM! - SUPPORT HIS TRIBE!!!**

The Deep State and the Pentagon have all the Scenarios Laid Out in front them - on that Big Round Table we see in *Dr. Strangelove* (kind of... HAHAAHAHAHA!!!)... and I **know** that they **know** that ALL SCENARIOS must be assessed and planned for - ALL CONTINGENCIES - and what happens towards the OUTSIDE WORLD is the Big Game of PROPAGANDA AND DISORIENTATION AND MISINFORMATION AND OBFUSCATION ETC., in which, in the case of a "Democracy" or "Liberal Democracy", is presented usually as two main opposing "Schools and or Parties ("Liberals and Conservatives" - A - HAHAAHAHAHAHA!!!!!!!!!!!!!!!!!!!!!!)" (with **YOU KNOW WHO**, GROSSLY DISPROPORTIONATELY involved in particular countries - HAHAAHAHAHAHA!!!!!!!!!!!!!!!!!!!!!!), and of course, the Deep State and the Pentagon don't want Pessimism to get the Upper HAND, so they keep pumping out their IDEOLOGICAL-UTOPIAN BULLSHIT, even if they render it a bit more "REALISTIC", because that's the way Societies WITH (DEEP) STATES WORK.

When the Russians approached me

When the Russians approached me for me to give them an interview, I declined. Not because I did not want to; not because I don't have Fantasies of being in the Central Church of Moscow with my Woman doing MY BIG ORTHODOX SIGNS OF THE CROSS (I.E. CROSSING MYSELF LIKE A MADMAN BEFORE THE VIRGIN MARY AND JESUS AND ALL THE ORTHODOX SAINTS - **DEATH TO SATAN!**) with PUTIN... and then going on an EXPEDITION with VLAD to Constantinople ("The Constantinople Expedition" (cf. *The Maltese Falcon* (1941) by the at least very good if not very great John Huston)) to **TAKE IT BACK** FROM THE SARACEN MOHAMMEDAN ANIMALS (many of whom are genetically closer to me personally than Slavic RUS-MEN - HAHAAHAHAHAHA!!!!!!! - since they include in them those filthy Turkic Mohammedans of TODAY, Conquered Greek-Hellenic BLOOD)... All of that, yes, I am a human, I do Fantasise about all of that because I have FANTASIES - like you - TOO. SO, ANYWAY, I declined, because I am a citizen of two countries who are within the ZIO-USA Imperialist Framework as kinds of Vassal States, and I really don't want to be kicked out of those States, **I am most definitely NOT** an Enemy of the Peoples of those States or their Governments, etc., so I have to show at least a modicum of RESPECT and DECENCY. And I say this to the Russians and the Americans and the Jews and the Chinese and the Persians and the Germans and the Others (Oops! I ALMOST Forget, there's also Hindu-MAN floating out there somewhere in the <sup>background</sup>!!!) - WORK IT OUT AS BEST YOU CAN, DO YOUR TRADE AND MAKE YOUR MONEY, BUT GET POPULATIONS UNDER CONTROL AND STOP THE MIGRATING BULLSHIT - ALL OF THAT MIGRATING BULLSHIT IS JUST APE-ANOMIE BULLSHIT AND WILL

END UP IN A COMPLETE AND TOTAL FUCKING DISASTER. The Yanks also need to rein-in their ZIO-JEWS because THE REST OF THE WORLD IS SICK OF THEM, and even if they don't understand this, **WE CAN'T FUCKING STAND LOOKING AT THEM, LET ALONE LISTENING TO THEM OR READING THEM!!!** THEY NEED TO ROUGHLY PROPORTIONATELY BE "IN THE NEWS" OR "IN JOURNALS" (I never watch TV or listen to "Public Radio" and on the Internet ***I CHOOSE, SELECT and SELF-CENSOR EVERYTHING*** I VIEW, LISTEN TO OR READ!),... OR EITHER GO AND LIVE IN ISRAEL.

What a young man NEEDS (Or: Feminism up to a point makes SENSE, and, you DON'T need Divorce ("Family") Lawyers or Psychologists and Psychiatrists and other Doctors with their MENTAL PILLS - whether ZIO-JEWS or NOT; or: THAT 1950s movie by Nicholas Ray (= roughly great director) with James Mason about PILLS is DEFINITELY WORTH WATCHING, probably more than once!!!)

What a young man NEEDS, is he NEEDS a fucking WOMAN "on tap", and because DISEASE-SPREADING is BAD, and because MENTAL-ILLNESS is BAD, what the young man NEEDS TO KNOW, is that YOU MUST ALWAYS TREAT YOUR WOMAN WELL, HELP HER WITH THE HOUSEWORK IF BOTH GUY AND GAL GO TO WORK, AND THAT HE SHOULD HAVE A NICE FAMILY OF TWO TO TEN CHILDREN WITH HER FOR THE TERM OF AND THE REST OF HIS NATURAL LIFE. Of course, there are always

EXCEPTIONS - some people are e.g. ARTISTIC and or VERY WEIRD and are not meant for FAMILIES, but OVERALL, what a young man NEEDS is a good WOMAN he treats WITH RESPECT in a MONOGAMOUS LIFE-LONG RELATIONSHIP which in all instances will be between two people of opposite SEXES and with the vast majority (not necessarily always and in all cases) of the SAME RACE AND OR CULTURAL BACKGROUND, and of similar ages FOR THE PURPOSE OF HAVING A FAMILY WITH CHILDREN (BOYS (BLUE) AND GIRLS (PINK)). THAT'S THE WAY WAY YOU EMBED REAL SOCIAL COHESION OVER THE LONG RUN IN YOUR SOCIETY AND YOU GIVE THE CITIZENRY **A REAL FEELING OF BELONGING TO A TRIBE, IN WHICH INDIVIDUALISTIC PSYCHOLOGICAL PROBLEMS ARE COLLECTIVELY SOLVED - ALWAYS BEYOND THE DEVIOUS REACH AND EVIL HAND OF SATAN!**

Now, this is an Opinion and a Way of looking at a Social Phenomenon. You might (partly) agree with this and or (partly) disagree with this. But a society which chooses the "After Feminism" scenario over the long run is going to BURN-OUT and BURN-DEAD. THEN, THE MEN WILL COME, and the MEN can be APE-MEN of APE-ANOMIE, or mostly (but not necessarily exclusively) White Law and Order MEN of Tradition and Respect for Both Cultural and Biological Inheritance and Continuity. No matter how much you try and "nuance" your way out of it with

"sophisticated" reasoning and syllogistic ZIO-Hocus Pocus, this "After Feminism" scenario is basically GROSSO MODO what is happening to Western Societies under Western Mass Democracy, Massification, Atomisation, Hedonisation, FeminoFaggotisation, Otherfication, Negrofication, FULL-SPECTRUM ZIO-LOBOTOMISATION due INTER ALIA to GROSSLY DISPROPORTIONATE participation of JEWS in setting University-level and Mass Media/Mass Entertainment Agendas. NO KIND OF MAIN OR BASELINE CAUSATION IS BEING ASCRIBED - NONE WHATSOEVER - YOU NEED TO STUDY HISTORY VERY CAREFULLY TO UNDERSTAND THE VERY COMPLICATED CHAINS OF CAUSATION (CF. *CONSERVATISM* AND *DECLINE...* BY P.K. AND HIS OTHER TEXTS), BUT THE GROSS OVER-INVOLVEMENT OF JEWS AT ELITE-LEVEL IS ABSOLUTELY GROSS, FILTHY, DISGUSTING, AND TOTALLY SICK - AND AS A SUBJECTIVE MATTER OF TASTE - I AM ALLOWED TO SEE IT THAT WAY IF I WANT TO - AND YOU CANNOT CONTROL MY THOUGHT AS IN THOUGHT CONTROL, AND YOU WILL NOT REPLACE ME AS MYSELF IN MY LIFE AS A PRO-HELLENIC HELLENE-ROMAN-GREEK **MAN**. FUCK YOU SATAN!!!

This is what Happened when DEATH spoke to me: Death told me: "You are Going to Die and be Buried Away from your Ancestors, Away from your Village, Away from Home. THIS IS YOUR FATE AND YOUR FATE IS SEALED!" And I looked at DEATH STRAIGHT IN THE EYES AND SAID TO

HIM FIRMLY: "Death, I have already **Defeated YOU**, because I have almost all of my life lived away from Home, *and not once did I ever doubt the whereabouts of MY HOME* AND I HAVE **ALWAYS BEEN THERE FROM THE VERY BEGINNING AND UNTIL THE VERY END I SHALL ONLY EVER THERE - BE!!!**".

**I've never been to Hagia Sophia**

I've never been to Hagia Sophia, but I fell in love with Sophia at a very young age. The Sophia of the De Sica films is arguably The Most Divine Whore (real or not, it doesn't matter) of the 20th century who Became The Screen Queen in and of the History of Cinema almost or probably Above all others. How much I love to watch her play alongside Marcello! Isn't *Sunflower* the GREATEST? And a number of other collaborations. My woman though raises an objection. She says that Marcello was probably Bi-Sexual. And I look at her - Because She's A Real Person - with Real LOVE and ADMIRATION - and I think of all THE GOOD she does for me, of all THE GOOD she gives. BUT Sophia is of the Other WORLD. The Ultimate - but one - of my Generation, Hagia Sophia.

Do your own research, and make up your own minds. I personally as a Crazy Literary Persona know exactly what SATAN is and who are SATAN'S REPRESENTATIVES (of course, anyone who has experienced the Satanists first-hand over many years knows a lot, a heck of a lot, much more than is worth revealing - it takes too much time, anyway, and there are other things to do). As far as future events are concerned, one can never know (more dictatorial? and or more breakdown? and or ???). I am now translating P.K.'s "state of emergency"-Schmitt article, so if anyone has the time and the theoretical interest, it should

be very revealing to them when it's online by the end of the year - God Willing - 2018.

Now suppose that all the facts of this famous case were exactly unchanged except that Frank had been a white Gentile. Surely the trial would be ranked as one of the greatest racial turning points in American history, perhaps even overshadowing Brown v. Board because of the extent of popular sentiment, and it would have been given a central place in all our modern textbooks. Meanwhile, Frank, his lawyers, and his heavy financial backers would probably be cast as among the vilest racial villains in all of American history for their repeated attempts to foment the lynching of various innocent blacks so that a wealthy white rapist and murderer could walk free. But because Frank was Jewish rather than Christian, this remarkable history has been completely inverted for over one hundred years by our Jewish-dominated media and historiography.

These are the important consequences that derive from control of the narrative and the flow of information, which allows murderers to be transmuted into martyrs and villains into heroes. The ADL was founded just over a century ago with the central goal of preventing a Jewish rapist and killer from being held legally accountable for his crimes, and over the decades, it eventually metastasized into a secret political police force not entirely dissimilar to the widely despised East German Stasi, but with its central goal seeming to be the maintenance of overwhelming Jewish control in a society that is 98% non-Jewish.

We should ask ourselves whether it is appropriate for an organization with such origins and such recent history to be granted enormous influence over the distribution of information across our Internet.

Amazing article. Thank you.

It looks like the ADL hasn't changed its stripes since inception. Their only mission seems to be enforcement of Jewish supremacy and unaccountability over the cattle. The goyim will be:

- Propagandised.
- Outspent.
- Divided and conquered.
- Intimidated.
- Bribed.
- Propagandised, again – just in case the “official” story doesn't fit the intended historical narrative.

Unfortunately for them, all of this is coming to an end and the worm has turned. We live in interesting times.

I wasn't born an anti-Semite, I wasn't home schooled to be an anti-Semite, but events, facts, and common sense have made me who I am today, and that is an anti-Semite. It's my right and privileged to be anti-Semitic, just as it is the right of jews to hate Christ, and look at all non jews as cattle, and less than.

I don't think I am going out on a limb in thinking; jews better be careful or they just may get what they wish for.

The NY Times among other rags are endangering the lives of, dare I say, good jews.

The real question is why is there such an over-representation of jews in the MSM and other professional areas? Before WW2 the Germans are notable for asking themselves the same question. In our modern era is it really because they are smarter than us? Or is it because we feel responsible for the holocaust which has been pumped up to overwhelm us with guilt. I think that it is also because the Jews suppress the goys after the Jews stack the deck and then select themselves. Now they have well honed methods for doing this, like coordination by the tribe, raw power, nepotism and calling people anti-semites et cetera. They just do not play by the conventional rules – this needs to be analyzed – it is causing a really unpleasant distortion of life for naive Americans at all levels which is covered up by the Jewish endeavor. The US and UK press today is a horrible example of this domination and preoccupation. The recent widespread attempts by Jews in the UK and their US helpers to discredit Corbyn is indeed a sickening farce. And why do Jews account for at least 25% of the students and graduate students at Ivy League schools and dominate other top institutions of higher learning where they are selected over better qualified non-Jews? Hopefully the ongoing legal action against Harvard by the Asians will throw some light on the machinations of this crude racism, where obviously better qualified Asians are systematically classified as inferior to Jews and others by the unfair aberrations of the selection process. The underlying forces can only be unrealistic manifestations of superiority and elitism by the chosen.

*Normally, a tiny client state attached to a great power would conform to its patron, but in the U.S.-Israel relationship the reverse has happened.*

India was much bigger than UK. But who ruled whom? Brits ruled over much bigger India because Brits had the guns and because India was so divided.

Same between US and Israel. The real power is actually not with Israel but with the Jewish elite minority IN the US. They are small in number relative to the entire population BUT they hold the Big Guns of media, finance, entertainment, high-tech, and the Narrative(the secular church of righteousness). Also, Diversity works against US solidarity against Jewish power.

Brits ruled over India for 200 yrs. We shall see how long Jewish rule lasts over the US as the Sole Supremacist Power.

+

“The real power is actually not with Israel but with the Jewish elite minority IN the US.”

That’s right. The power that sways the USA predated the theft of Palestine for the Jews, the corruption of our politics and our economy by Jews. The “State of Israel” is a locus for our ass kissing more than it is a “Jewish homeland.” The Jews that cornered Balfour, financed the Bolsheviks, recruited Wilson and stole all our money are no more sentimental about that piece of desert than about the Palestinians their snipers shoot with impunity. They are, as they always were, a ruthless network intent on global control.

Still, it’s worth imagining what the USA would be like if we grew a set and took our country back.

Just imagine what things would be like if the Jews had accepted the “home” the Brits first offered them, Uganda.

Good piece. While we’re on the subject, AIPAC does much more than whip Congressmen into line once they’re elected.

It likes to make sure only those who have got their mind right get elected in the first place. Let’s say you’ve decided to run for Congress. You’ve been a state assemblyman or whatever; time for that next step.

You’ll get a nice little packet from AIPAC. In that packet will be a request that you write an essay expressing your feelings about Israel.

Should you prove recalcitrant or even — God forbid — less than unequivocal in your expression of feelings of love, veneration, and unqualified support, why, AIPAC will fund your opponent.

Obviously, the occasional Ocasio-Cortez slips through the cracks, but in principle, no one enters Congress who doesn’t support Israel from the start. You might as well look for atheists in a Baptist seminary as critics of Israel in Congress. There’re not going to be any.

This is censorship, which establishes Fakebook and fellow travelers as a declared enemy of the Constitution, particularly the 1st Amendment, and their fellow citizens. The key to the Zionist control over the U.S. lies in its control over our money and our tax system , in 1913 the Zionist banking cabal pushed through a corrupt congress the PRIVATELY OWNED FED and IRS , which gave the Zionists control over our money and thus control over not only the government but our lives with the Zionist ability to create money out of thin air and loan this money to the gov and the people and charge interest on this ether created money and to tax the American people for the wars that were to come.

Nathan Rothschild once said, I care not what puppet is placed upon the throne of England, the man who controls the money supply controls the British empire and I control the British money supply!

Here in America the Rothschilds and their cabal ie the Warburgs and Schiffs etc. control our money supply via their privately owned FED and thereby control not only the government but also our very lives and that is the source of their power over America and until the FED is abolished we can never be free of zionist control.

Therefore since the zionists control both America and Israel and Israel is used as the provocateur in the wars in the mideast that the U.S. is forced to fight for her zionist controllers and pay Israel trillions in welfare and military aid, the U.S. is a zionist plantation and we are all slaves on this plantation for our zionist masters.

The first step in ending zionist control of America is to end the UNCONSTITUTIONAL FED and return the money creation power to the U.S. government as it was prior to 1913, and thus the power of the zionists would be ended.

Here's a note I sent to The American Conservative:

I return your Renewal Voucher with a No, I won't resubscribe. I was dismayed, angered, when you fired Philip Giraldi after he identified America's biggest enemy: not Russia, not Iran, not ISIS, but the Israel Lobby and its Jewish promoters. You also got rid of Ron Unz, another truth-teller. In other words, you sacked two of our best writers to please...not your readers, but some other entity. I first subscribed to TAC because Pat Buchanan was not afraid to name and blame the Israel-first neocons who pushed us into the disastrous mideast wars. If you are afraid to mention such obvious harmful-to-America truths, if you fail to see the huge gorilla in the room, what good are you? Conservative? Not conservative enough for me. I want to conserve an America run by Americans, not by people with dual citizenship and loyalty.

I think it a mistake to call the elite “Jewish power”. True; many % of the makeup of the elite are Jewish by race, but the real issue is the underlying source of that power and the intent of those who have access to it that needs a look.

Jewish morality seems to be based in “a take over mind-set” and “I am richer and better than you”. Its culturally and socially organized and maintained, much like the story of the boy with his finger in the dike of the dam (everyone’s duty is to save the rest, when there is no one better to step forward).

The organization that imposes strict obedience to that moral teaching is culture. Jewish power is derived from networking wealth, influence and unlimited access; Jews are born to be the primary beneficiaries of that obedience. Its not a formal organization but it is a social, racial and sometimes protestant commitment to be a lifetime dependent participant of the network. Its a statement of a Jewish self, a commitment, an internal duty and an expectation to be lived up to, a philosophy that Jew is first, it goes something like this ” everything belongs to the Jews if only the Jew remains aware of the network and his or her duty to it”. Obedience protects that Jew; its as if protection in return for obedience were a genetic expression.

Zionism teaches or takes advantage of that Jewish philosophy; it demands allegiance to the behaviors expected of Jews by race and it demands commitment from those whose job or presence or circumstance depends on the latent or realized benefits of Zionism, but Zionism is something more than the Jewish cultural philosophy, it rides on top of the Jewish foundation. So duty of allegiance provides the control factor (organizational discipline) that biases most things in favor the Jews. The duty of allegiance is transparent to nations, religions, race, culture, law, rule, and just about everything else. The duty of allegiance allows the criminal, corrupt, amoral, ambitious, or even I suppose, benevolent factions who gain access to the top of the Jewish power pyramid [Zionism], to use the Jewish foundation embellished in the mind to mind network to control or abuse nation states, local societies, a person, or any organization for that matter for any purpose.

It is this hidden, top down internalized demand that everyone is controlled by duty of allegiance that allows those in the layer on top ( the Zionists) to manipulate and use those beneath, and it is the duty of allegiance that forces those beneath to manipulate or allow everything within their reach to accord with philosophy that every Jew or Jewish interest is entitled to be first no matter its morality.

The Jewish lifetime network serves not only as a fall back for recovery from failure but also it serves as a support system to get ahead. So you are dealing with a reward philosophy, in\_grained deeply within the culture and societies in which the chosen present. The commitment is nearly invisible, not even something often on the conscious mind, but when a crisis arises, when a choice or opportunity presents itself, the Jewish network becomes that little bit extra that resolves the outcome nearly always in favor of those attached by commitment of race, religion or circumstance to the philosophy and by commitment to the leaders at the top of the heap (organized Zionism). Example. X a polish Jew of moderate means, c/n speak English, moves his family to NYC, a few years go by, the local bakery business owner dies, his estate offers the bakery for sale, price \$1 million.

X has \$2000 in the bank, two kids in college, a job as a hamburger flipper and a sick wife, but he announces on the network, or the network discovers, that X, a Jewish person, has this opportunity, to buy this Bakery. Suddenly a local banker appears and lends X the million, a law firm offers to help and the right people are hired. All of sudden X has become a prosperous, wealthy person. until a few years later X is accused of a crime, but within days proper legal assistance appears. Presto the charges are dropped. It is this potential for support when opportunity arises, or crisis happen, that keeps the members of the I am a Jew in line and that keeps on track (organizational and cultural discipline) the Jew is always the winner.

Zionism was born in 1896 in Switzerland (first Zionist Congress) its purpose is arguable, but its history suggest its purpose is to gain possession, control and to profit by privatizing government and acquiring private ownership in resources, private monopoly powers (media, copyright, patent and real estate ownership) and the means to privately produce goods and services where ever possible. The Jewish network has been in place since nearly the beginning. It just gets more and better refined. . What I see is that Zionism is an organization with leadership and a purpose or a set of purposes that plans and coordinates global and local Zionist activities. Zionism is fitted over the top of the Jewish Culture so that the Jewish Culture driven Jewish Philosophy becomes a powerful tool, a defensive or offensive weapon, that Zionist can use as they wish, to control the world or take whatever they desire or mold things to suit their fancy.

**The problem seems to be the use of Jewish power by Zionist.** Societies have no means to control it or regulate it because societies are local, and Zionism is global. It will take a great deal more understanding about Zionism than has been expressed thus far, to be able to regulate or control it.

As far as anti-Semitism is concerned, along with the other “isms”—racism, sexism—the meaning has been lost due to the machinations of the Coalition of the Fringes, Left and Right,

Unadulterated bullshit.

The meaning of anti-Semitism, if it has ever had a legitimate meaning (its getting increasingly difficult to tell given the obvious and deeply hostile mainstream Jewish political machinations), has been wholly compromised by the decades long (at least) political abuse of he term by the Jews themselves.

Citing specific organizations that have contributed to this isn't even necessary, because the phenomenon is near-universal to include from Jewish political orgs that sit at the highest levels of Jewish politics.

The Jews are not some magic and just-Right Wing survivor group. The Jews are a deeply manipulative and highly internationally active ethnic group , with a large and aggressive communist contingent who is as deeply ethnocentric as their Right, who fights as hard as

it can to not get blamed for anything and to suppress all true competitors: even in their own nations.

The Jews shall not condemn nor lament the loss of meaning of the political isms. The Jews invented most of those concepts as weapons against the out-group, and have been primarily influential in molding any evolution in their meaning. If you'd like specifics, they are available.

It takes two or three generations before an immigrant's children assimilate completely into a new land; and this only if the children are of the same race as that of the host population. The children of immigrants who belong to a different race will never assimilate into the host population except for the absorption of insignificant societal mannerisms. They will forever remain an alien presence and will consciously and subconsciously seek to establish their own nation within the original host nation. Whites have difficulty understanding this notion since whites have not recently immigrated to the homelands of different races such that they would internalize this sense of national alienation. Whites lack the experience of this national alienation and so childishly assume that alien peoples in their midst will happily become carbon copies of themselves, albeit with different exteriors.

I think that whites elites have allowed and allow alien invasions simply because these supposed wise gentlemen don't have to deal with the invaders on a personal day-to-day level. The trite saying "out of sight, out of mind" is true here, and white elites are therefore truly out of their minds.

"Giscard is typical of an entire generation of postwar European politicians who felt that the Afro-Islamization of Europe was a mistake and yet did nothing to prevent it."

De Gaulle was just as bad. Before WW2, most people in France, England and the USA mostly agreed with Hitler about the necessity of protecting one's nation, the national life and the common good, but they ended up fighting Germany. De Gaulle was supposed to be a conservative, just like Marshall Pétain, but he ended up giving the country back to the Jews.

As soon as 1945, the Jewish United Nations activist René Cassin founded the ENA school, to renew the staff of the Council of State and France's central administration as a whole, while Jean Pierre-Bloch (future chairman of the Jewish LICRA) was trusted with the task of selling off a few hundred confiscated right-wing newspapers.

Giscard was elected thirty years later. He was a conceited man who saw himself as a member of the liberal conservative elite, as if he belonged to a superior race, but was ready to reach for compromise in the name of tolerance. In fact, he belonged to the phony right, just like De Gaulle and Pompidou. His concessions were made to the Jews not to the French populace. Actually, the job of a real conservative politician should be to stand up to the Jews.

Under De Gaulle and Pompidou, Jewish phony fakes had been occupying the entire public intellectual scene, with authors like Sartre, Foucault, Barthes (those three may not be Jewish, but they worked with the Jews). They had colonized academia and the media. Unfortunately, Giscard didn't try to get rid of

them. What was really needed in White countries was not populism against the Jewish “elites”, but some elite conservatism against Jewish interlopers. Giscard was not up to the task. Now we need a revolution.

In 1981, Giscard was trying to get re-elected, but the Jewish-run media openly supported Mitterrand. Why did that stupid Giscard let the J-left in control of the media? Until then, there were only 3 TV channels and a few radio-stations. As a propaganda stunt, Mitterrand started campaigning on pirate radio stations and complaining about the lack of free speech. Giscard sent the Gendarmes.

After Mitterrand was elected, the Jewish-run media started doing massive propaganda for immigration, teenage sex and interracial sex. The streets of every small village were covered in posters for prostitution services (3615 ULLA, and so on). But there was also an explosion of small radio stations run by French people without any license, which was good for free speech, until it was reined in by the government, and then the Jews were back in charge of everything (with a greater number of stations).

There's at least something (obviously not everything) in these worth pondering... and some of them might even be up to total crap - always do your own research and try to do your own thinking as much as possible...:

 Blaming the Jews and no one else for the Holodomor"  
 =====

that's it--that is the real issue...granted, the upper class jews and their powerful organizations are coming  
 hard after the alt-right and are probably the major force behind the deplatforming and censorship...this is  
 probably...but jews ARE for the most part white...and even if every jew in the world disappeared this very  
 minute, by tomorrow the rich gentiles and the big corporations and media would STILL be pushing mass  
 immigration and multiculturalism and anti-white propaganda...so what good does it do us to antagonize  
 jews? Jews are a very powerful and culturally cohesive group...getting rid of them will do nothing to help  
 us...and going after jews just antagonizes them and causes them to do what they just did to gab...there is no  
 upside to attacking jews and lots of downside to attacking jews...

attack the elites as a group...that way you don't alienate normies and you don't catalyze the jews...

--elites in general are the real enemy...

Now counter-arguments to the above position(s) in the "Far New Right" vs.  
 the "Far New Right" Squabble, are at least at times and in part fairly  
 eloquently put - albeit with very serious doubts attaching to some of the  
 (implied) normative theses incl. re: mass "peaceful" deportations etc. - who  
 says that mass population transfers can, let alone will be, "peaceful"?... - in

In France, **Alain Soral** (Europe's greatest Philosopher), and **Dieudonné**, (France's finest Comedian), risk jail & have suffered huge fine\$ for criticizing Zionism, and Zionist control of France. Soral has formed a group, "Equality and

Reconciliation." They are banned from the USA (the American people do not even know about this unconstitutional action by the government). Hell! They have never even heard of Soral, or Dieudonné. This year, Dieudonné was invited to Canada. He got as far as the airport in Quebec, and was forced to get back on the plane.

More or less hitting the nail on the head. Multi-racial, multi-culturalism and *Dieiversity* have Use"d"-By Dates, and whilst all societies can and do have civil conflict and strife and wars, (largely) mono-racial, mono-cultural countries, nations, civilisations, cultural collectivities, etc., etc., etc. tend to get glued back together: China, Japan, Greece, Rome, Vietnam, potentially Korea, France, England, etc., whereas today's...

2018 is far worse than 1968, and it shocks me that Buchanan cannot (or will not) see the obvious difference between then and now: back then the United States was an ethnically unified country (mostly); it was 90% white in 1960. So, regardless of temporary domestic problems, it could always bounce back. And it did. But this time is fundamentally different. The United States is now an empire filled with enormous numbers of disparate racial and religious groups who all hate each other, and it gets worse every year. I can't anticipate a movie, watch a television series, play a videogame, read a comic book, or do anything else in mass media without hearing of some ethnic squabbling between groups. I fear there is no possibility of a rapprochement this time. Empires don't bounce back from the edge. That's what nation-states are for.

One of our political parties, the Democrats, are a loose coalition of diverse peoples who, according to most polls, do not really agree on many different social issues. This party is united only by their ethnic hatred of the other party, the mostly white Republicans. The few blacks that support the Republicans are openly attacked by media like SNL, so there is no chance of racial reconciliation. Every election will be a racial headcount. Every election cycle is now dominated by media efforts to gin up anti-white hatred so the democrats can win. BLM in 2014, anti-Trump hysteria and attacks on Confederate monuments in 2016, mass immigration support in 2018 by the media to drive up Hispanic votes and endless "get Becky" stories posted on YouTube and in the mass media. The other political party is corrupt and incompetent. It serves the interests of the business class when it isn't busy selling out its voter base.

The backbone of the country, White Caucasians, have come under years worth of blistering racial attacks in the media, and the polls show them cracking under the pressure as a result. Patriotism is at its lowest recorded level in one poll I've seen, mostly because whites are giving up. The military has missed a major recruiting goal for the first time in 13 years and is having to turn to urban areas, probably because whites are refusing to join. Foreign presidents like Putin, Bolsonaro, and Duerte command the respect of increasing numbers of Americans disaffected by their own corrupt, inept government. All while the Chinese are stronger than ever and growing stronger. After Charlottesville, one poll of this military you guys put your faith in stated that up to 70% of them would support using the national guard to put down law-abiding

protestors...scary. And only about 30% of officers voted for Trump, most voted for Hillary!

Americans no longer control their own media, most of it being based in NY, LA, or DC, which combined have less than 10% of the nation's population; these various outlets post insane propaganda for the government Ruling Class – calls for wars and even violence against Trump supporters like Sarah Huckabee. Late night “comedy” shows and Hollywood are wall-to-wall propaganda and vile insults against our leader and his voters. These networks monopolize the entertainment industries while keeping out contrary views, even blacklisting guys like James Woods for his political beliefs and canceling shows by Tim Allen. Dissidents are hounded off social media and fired for the slightest misstep (Megyn Kelly and James Damore). That same media has been banning dissidents like Alex Jones and platforms like Gab. Now, Slate magazine (the same outfit that wrote an article entitled “Let's Blow Up Mount Rushmore”) is claiming that those who support fundamental freedoms like speech are immoral and misguided – all done as a prelude to censorship.

Consider what we have seen over the last eight years. Mobs of Maoist Red Guards have attacked our statues and symbols, sometimes even desecrating grave sites; a Wisconsin town voted to remove a Confederate marker of a mass grave of innocents murdered purposely by Union mistreatment. Major NY-LA-DC media advocated blowing up Mount Rushmore. The West has been plagued by terrorist attacks and the government has responded not by limiting immigration but by installing a police state. Obama flooded conservative areas with refugees (future democrats) the way China has flooded Tibet with Han Chinese. There have been thousands of articles written about “white privilege, white males, manspreading, mansplaining” and innumerable other combinations of bigoted words. Dissidents have been banned from the internet. The government continues to pick more foreign wars against the wishes of the public. Mass immigration continues unabated while mainstream media gloats about replacing whites. Edward Snowden revealed the government has been breaking the law and violating the constitution for decades.

Here's an example: they hacked Yahoo Chat and set the thing to take pictures of users; it has been estimated that up to 11% of users took their clothes off...and that data is stored in the UK and retrievable now with facial recognition software. The only explanation for that bizarre episode is that they wanted to create dossiers of dirt on potential troublemakers (i.e. people with contrary opinions). Say the wrong thing on social media and it will be, “oh, look at those disgusting pictures of you doing XXX...those dastardly Russians hacked us and released the information...sux for you dude!”

Government officials also participated in a plot to overthrow the government with a fake Dossier and FBI warrants improperly submitted to the secret FISA court. They even tried inserting a mole into Trump's administration and tried to cover it up when it was revealed. The NSA and CIA act as the East German Stasi did, often clandestinely digging up dirt on Americans and passing it to the police. Top level retired bureaucrats like John Brennan have stoked fears of coups with talk of treason on mass media – aided and abetted by propaganda organizations like MSNBC. The media is now clearly trying to encourage a mad man to kill our president with their rhetoric. There is no other explanation for their behavior as Trump hasn't been THAT bad.

The democrat party and its media have given up on liberties like the presumption of innocence for white males; see what they did to Kavanaugh. There have been multiple high-profile stories of late where innocent men were convicted in the court of public opinion because they were white: Duke, Virginia, Kavanaugh ... Freedoms like speech are

soon to be banned. Gun rights will also be severely curtailed as banks are already trying to put gun shops out of business by refusing them service.

Are these the things that happen in a stable country?

At this point, only separate countries can save us. I have no faith at all in the current order. It will fall one way or the other, likely into dictatorship under the racist democrat party. Maybe I'm wrong, but I need someone to point out where I am because I am truly at a loss to understand what you guys see that I don't.

### I remember a white America with some Blacks

I remember a white America with some Blacks, which I only ever knew from the Telly and later on Video and DVD. And I came to admire their mythology - the one about Wyatt Earp, the OK Corral, Henry Fonda in *My Darling Clementine*, John Wayne in *The Searchers* - Fred Astaire in *The Band Wagon*, and Gene Kelly too (*Singin' in the Rain*), and who would not

warm to the very friendly, concerned Jimmie Stewart (*Rear Window*)? And then you had PHENOMENA like ELVIS. WHO would not fall in love with ELVIS the performer, the singer, THE HEART? Singing about Old "Dixie", AND then you have OLD SATCHMO - is there a person who can seriously say that Satch, the Great Gumbo, was not ONE OF A KIND? Or The Band from Canada with that really nice American, Levon Helm (GOD, Bless his Soul - only Garth and Robbie are still alive). SO even though that America to me was foreign, it was kind of OK because I got familiar with a bit of it, and to those of us who were materially poorer - given we are living in a non-spiritual age - that Old now America was very Tempting. What America has become today, I don't watch the movies or listen to the music anymore. Today America is NOTHING.

I know Henry Fonda and Katherine Hepburn were Leftists (by American Cold War Standards), and at the Start of "The PROBLEM"

I know Henry Fonda and Katherine Hepburn were Leftists (by American Cold War Standards), and at the Start of "The PROBLEM", but who can seriously tell me that *The Grapes of Wrath* is not basically about Whites and their Struggles? That *Bringing Up Baby* and *The Lady Eve* are not tremendous fun? AND that *On Golden Pond* which is SO SO SO CORNY AND SENTIMENTAL, does not really **FILL** one's heart with a real sense of BOND, COMMUNITY, A NORMAL COUPLE, FAMILY, LOVE?

**If the Desperados are not going to do it... and usually the Desperados don't do it... then the Homines Novi must Appear. For the Homines Novi to appear, some desperados are going to have to convince those with real access to real power to become the Homines Novi. Then the Homines Novi are going to have to do it if they *act right*, have their fair share of Luck, and the Circumstances are Ripe. Just meta-politicking - you can meta-politic until the Cows come Home - with Desperados and or Homines Novi not taking over somewhere along the line, means you are not going to get anything like the Change you wanted (which you would not have got anyway).**

**Let's repeat this on this**  
**page**

**because it has not yet been**  
**repeated on this page:**

Let's repeat this on this page because it has not yet been  
repeated

on this page: there is no "Law of History" or other social-historical

"Law" which says that the USA will "Fall" by \*\*\*\* year and China will

"Rise" by \*\*\*\* year. There is no certainty which is 100% certain that

Taiwan will become part of China by \*\*\*\* year or ever.

There are also

no objective scientific criteria to say that Western mass democracy is

a better or worse social formation than other social formations, nor is

there any "Inherent Ethics" in the Stratosphere that says and directs

that "Certain Circles" cannot have GROSSLY DISPROPORTIONATE

forms of Power at the elite level(s) or that the "Sheeple" will be

Asleep FOREVER, or that a Revolutionary Change of a Regime - as

a kind of "State of Emergency" - will necessarily change things over

the long run for the "better", or will lead to the opposite results of

what was initially sort, or to something else. What there is with

certainty, is that in comparatively "complex" or "developed" societies,

there are all kinds of groups and individuals (there is no such thing as

individuals without some sort of group and social reference - that is an ideology, just as a position that says there is only the group without individuals is an ideology too), and those groups and or individuals engage in co-operative and or conflictual behaviour with one another which never arrives at a "FINAL SOLUTION" but is part of an on-going process of forms of STRUGGLE. Whether one belongs to one group or not and or how one belongs to one group or not is ultimately - theoretically, abstracted from reality - an aesthetic choice, since life is ultimately - theoretically, abstracted from reality - meaningless, even though all societies must and do give life meaning and points of orientation, etc., and obviously someone who sees himself as a Greek or Hellene or Roman has no place amongst Barbarians (particularly if they are particularly VILE and ULTRA-UGLY, subjectively seen as a matter of Taste, of course), wherever

they may be, including in "Greece" (and that most definitely includes those "becoming and being Persian (Μηδίζοντες)" of Greek origin! - and not just the non-assimilable invaders. *DEATH TO SATAN!!!*)

The question of POWER (AND IDENTITY, AND MEANING,...)

Great films to watch because they raise "the issues": *The Wild Child*

(*L'Enfant sauvage*, 1970) by François Truffaut, and, *The Enigma of*

*Kaspar Hauser (Jeder für sich und Gott gegen alle = Every Man for*

*Himself and God Against All*, 1974) by Werner Herzog (cf. *Quest for*

*Fire (La Guerre du feu*, 1981) by Jean-Jacques Annaud). The

un-socialised individual will either be socialised and or will be an

outcast. This is going to happen (as a general tendency - there are always exceptions of course) in all social formations, and it can include methods ranging from (cruel, i.e. painful) corporeal

punishment to DEEP "ZIO-LOBOTOMISATION" via MASS-MEDIA, MASS "EDUCATION"-INDOCTRINATION, MASS

ENTERTAINMENT,... whereby e.g. someone thinks it's "normal" to go

to "school" and read e.g. 3 books and watch 2 films about Jews and 0

books and maybe 1 film about the more than 200,000,000

slaughtered and or "unfairly" dead or otherwise killed and or caused

to die in the 20th century. Moreover you get situations where a

society can believe that the size of the cranium has something to do

with intelligence (personally I don't know whether it does or does not; I do not have enough knowledge in regard to the matter and I have no time to research it), or that Blacks are "Apes" and Indigenous Indians are "Savages", etc.,... or, another society can believe there are no general socio-biological differences between people of different races when all one needs to do is examine what Europeans achieved in terms of "High Culture" from Homer until 1950, the Chinese and the Indians from India from B.C. times until c. 1900, and what Africans have to show in terms of "High Culture" and or Engineering and or Chemistry, Physics, Social Research, Written Theory and "Philosophy", etc. during the same period. Obviously, "High Culture" is

not only NOT a prerequisite of human-social life, it is very much a minority phenomenon in the history of human civilisation as a whole.

And just because the vast majority of people during the greatest part of history lived with notions of the Other including racial, ethnological, cultural, aesthetic aspects - to varying degrees - (prominently) in their considerations, it doesn't mean it always has to be that way or that Israel can't have FULLY SEALED BORDERS and a kind of racial-ethnological-religious main orientation, whilst other countries are supposed to enjoy being wiped off the map as distinctive (in part) racial-ethnological-cultural-aesthetic identities.

So, we come back inevitably, invariably and ALWAYS to the question of POWER.

If the Sheeple have been Zio-Lobotomised to such an  
extent that  
they are brain-dead, brain-washed Zombies under FULL  
SPECTRUM  
ZIO-LOBOTOMISATION when e.g. Australians for a  
number of days  
are told in the news that where the Australian Embassy in  
Israel goes  
or stays is important and not the slaughters taking place in  
Yemen,  
then if you want to try and appeal to these Sheeple, e.g. on  
a

"Freedom of Speech/Freedom of Association" and or "Law and Order/Social Cohesion" agenda and or basis, you're probably going to be much better off just talking about Elites and Globalists and Trouble Makers and Country Wreckers, etc., without ever going into the anthropology and the mechanics of how it all works - because if you ever had the inkling to go into the anthropology and the mechanics of how it all works,... you'd very likely and almost certainly without a shadow of one tenth of one half of a doubter's doubt probably need 10 to 20 years of research with an Introduction covering Ancient Times and then the CORE of your study of the anthropology and the mechanics of how it all works kicking off at about the time of the Fall of Rome (1204 A.D.). What's really going to

help you, though, is if the "I shop, I consume  
all kinds of Shit and  
Crap and Crap and Shit, I am" STOPS. Then  
things will start to  
MOVE. And almost certainly not for  
the better. Because when SATAN  
has you by the Balls, - and SATAN squeezes  
VERY TIGHT - there is  
no way out which does not involve a LOT  
OF PAIN!!! ***OUCH!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!***

In every society since the beginning of societies there have  
been  
ruling cliques, ruling elites

In every society since the beginning of societies there have  
been  
ruling cliques, ruling elites (even during "primitive  
communism"), even  
when there was one Sovereign in Name and or in Practice,  
even when  
there was a Democracy in Name and or in Practice,  
because that's  
the way societies work. The "Problem" arises when certain  
people want

a change in Ruling Clique, Ruling Elite Composition, and act upon it

(potentially) effectively. In recent times, People - various and different

- have sought to have their own in certain countries as the primary or sole and exclusive members of the Ruling Cliques, Ruling Elites.

People - various and different - on the other hand, the vast majority

of People in certain countries, engaged in "I Shop, therefore I am"

and "I have Life-Time Interest to pay on the Money I Borrowed", have

their shopping and their interest-payments and their Entertainment,

and their Divorces and their Family Breakdown, their Pills and Drugs

and Lifestyles, even Holidays,... and tend not to notice What is Going

On in certain countries. That, though, will eventually Change. But

definitely not necessarily for the Better.

## The Chances by 2100 to 2150

The Chances of a Fully-ZIO-LOBOTOMISED  
and Fully-ZIO-  
SUBSERVIENT and Fully-ZIO-CONQUERED  
via ZIO-USA

Imperialism (Militarily and Culturally) ONE  
WORLD,

where JEWS "just happen" (and not by  
Primitive Secret Society

Networking) to be  
GROSSLY DISPROPORTIONATELY  
Billionaires

and "Leaders" in "Culture and Law and  
Medicine and the Arts and

Entertainment and in Journalism and  
in Thought", morphing into a

Beautiful Conflict-Free ZIO-End-of-  
History ONE WORLD UTOPIA,

with Israel being a virtually  
or approximate Far-Right Race-Ethnos-

Whitish-Based State with Fully ZIO-  
SHUT BORDERS of total ZIO-  
HATE towards the SIX (6)  
MILLION BLACK AFRICANS and or other  
MOHAMMEDANS who would want to enter  
and *DIE*VERSIFY and  
ENRICH ISRAEL for its own INHERENT  
GOOD, etc., -  
those Chances are ZERO.

The Chances of relatively  
pure/homogeneous white states based on  
historical ethne returning to the world  
stage are near enough to  
ZERO to be called ZERO.

The Chances of multi-racial Law and Order  
Shut Border kinds of  
Western States are not very good, and  
probably not good either.

The Chances of Braziliafication and then  
South-Africanisation of

Europe (Mexification for the USA) under waves of APE-ANOMIE are reasonable to good to very good to excellent.

That's what happens when you let SATAN and its SATANIC CIRCUS MONKEY **GROSSLY** **DISPROPORTIONATELY** AS A FLEA-VULTURE PARASITE INFLUENCE THE WEST OVER NEARLY 200 YEARS. YOU GET CANCEROUS FULL-SPECTRUM ZIO-LOBOTOMISED APE-SHIT AND THE RACE TO EXTINCTION (WHICH WILL ALSO INCLUDE THE SATANIC CIRCUS MONKEY COMPOUND AND BUNKER EVEN IF THE "HIGH VERBAL IQ" DUMB-FUCKS THINK THEY'RE GOING TO GET AWAY WITH IT).

Those are the Chances.

**The HORROR, The HORROR, The HORROR,... The Horror and the Hate of the Other, that's what I have lived throughout ALL OF MY HORRIFIC LIFE. YOU BELONG ELSEWHERE, YOU ALWAYS BELONGED ELSEWHERE, YOU WILL ALWAYS BELONG ELSEWHERE, and should have been THERE FROM THE VERY BEGINNING.**

**This Does not Mean that you don't get to meet nice people, kind individuals, and decent humans. This Does not Mean that all your people are Good, and that a lot of your people are not Very Bad. It does not mean that at all. WHAT IT MEANS is that every individual is (potentially) flexible, every individual is (potentially) malleable (just like cultures), every individual can become the Other (just like cultures, at least in part), even in one's own lifetime, but when One Studies the Other in Detail, Studies Oneself in Detail, Lives the Other in Detail over many, many, many years, Lives Oneself in Detail but LIKE A FISH OUT OF WATER, then, THE HORROR, THE HORROR, THE HORROR, THE HORROR AND HATE OF THE OTHER...**

**«Ο Ρουβίκωνας, η Φιλοσοφική, τα Λατινικά, και ο Άγνωστος Στρατιώτης**

**του Τάσου Χατζηαναστασίου, Φιλολόγου.**

Η πρόσφατη κατάληψη μιας αίθουσας εντός της Φιλοσοφικής Σχολής της Αθήνας από την αναρχική συλλογικότητα Ρουβίκωνας για τις ... λειτουργικές της ανάγκες, πέρα από το τι μπορεί ο καθένας να σχολιάσει ανάλογα με την πολιτική ένταξη και την ιδεολογία του για τη χρήση των πανεπιστημιακών χώρων, πέρα κι από την κραυγαλέα ασυνέπεια των κρατική δαπάνη στεγαζόμενων αντικρατικών ομάδων, προσφέρεται επίσης και για φιλολογικές και ιστορικές συσχετίσεις. Πρώτα πρώτα το σχετικό με τη ρωμαϊκή ιστορία όνομα της συλλογικότητας παραπέμπει συνειρμικά στην πρόσφατη υπουργική εξαγγελία περί εξοβελισμού των Λατινικών από το ελληνικό σχολείο. *Alea jacta est* (ο κύβος ερρίφθη) εδήλωσε ο Ιούλιος Καίσαρ το 49π.Χ. προτού διαβεί τον ποταμό Ρουβίκωνα για να καταλύσει το δημοκρατικό πολίτευμα στη Ρώμη. Ο δε Καίσαρ του Υπουργείου ετοιμάζεται να διαβεί συμβολικώς τον Ρουβίκωνα καταλύοντας ό,τι έχει απομείνει από τις ανθρωπιστικές σπουδές και την Παιδεία στον τόπο που τη γέννησε ενώ ο περιώνυμος Ρουβίκωνας διέβη κυριολεκτικώς τις θύρες του ιστορικότερου πανεπιστημιακού ιδρύματος της χώρας καταλύοντας ό,τι έχει απομείνει από τη *res academica*. Κεχηνώς και χάσκων ο Υπουργός καθότι υπεράνω τέτοιων ενεργειών. Μήπως όμως ιδρώνει, γενικώς, η κυβέρνηση όταν στον δημόσιο χώρο και ειδικά στα πανεπιστήμια περισσεύουν η αυθαιρεσία, η ευνοιοκρατία, η ασυδοσία και συχνά η πλήρης ανομία; Το δημόσιο πανεπιστήμιο ως λάφυρο και ως χώρος άσκησης ποικίλων «δράσεων». Τα παιδιά παίζει, κατά την κυβέρνηση. Έν οὐ παικτοῖς όμως. Γιατί το όνομα «Ρουβίκων» αναγράφεται στο μνημείο του Αγνώστου Στρατιώτου.

Plut. Caes. 11

11. Immediately after his praetorship Caesar received Spain as his province, and since he found it hard to arrange matters with his creditors, who obstructed his departure and were clamorous, he had recourse to Crassus, the richest of the Romans, who had need of Caesar's vigour and fire for his political campaign against Pompey. And it was only after Crassus had met the demands of the most importunate and inexorable of these creditors and given surety for eight hundred and thirty talents, that Caesar could go out to his province.<sup>1</sup>

[2] We are told that, as he was crossing the Alps and passing by a barbarian village which had very few inhabitants and was a sorry sight, his companions asked with mirth and laughter, ‘Can it be that here too there are ambitious strifes for office, struggles for primacy, and mutual jealousies of powerful men?’ Whereupon Caesar said to them in all seriousness,

**‘I would rather be first here than second at Rome’**

[3] In like manner we are told again that, in Spain, when he was at leisure and was reading from the history of Alexander, he was lost in thought for a long

time, and then burst into tears. His friends were astonished, and asked the reason for his tears. 'Do you not think,' said he, 'it is matter for sorrow that while Alexander, at my age, was already king of so many peoples, I have as yet achieved no brilliant success?'<sup>2</sup>

<sup>1</sup> Early in 61 B.C. <sup>2</sup> Suetonius ([Div. Jul. 7](#)) and Dio Cassius (xxxvii. 52, 2) connect this anecdote more properly with Caesar's quaestorship in Spain (67 B.C.) when he was thirty-three years of age, the age at which Alexander died. Plutarch. Plutarch's Lives. with an English Translation by. Bernadotte Perrin. Cambridge, MA. Harvard University Press. London. William Heinemann Ltd. 1919. 7.

**NOW, THE ABOVE PIECE I LOVE, I'VE  
LOVED IT SINCE I WAS ABOUT 20 YEARS  
OLD - IT'S WESTERN EUROPE, IT'S HIGH**

CULTURE, IT'S "HIGH IQ GERMANIC-FRANKISH LIBERAL-INDIVIDUALISTIC" CULTURE TO PLEASE OUR IQ FRIENDS.

THAT'S FINE, BUT I AM A GREEK-ROMAN-HELLENE, SO I AUTOMATICALLY THINK THE GERMANIC-FRANKISH TYPES ARE BARBARIANS AND INFERIOR, AND

ON A SCALE OF 1 TO 10 OF THE ABSOLUTELY GREAT PIECES OF MUSIC OR SONGS, THE ABOVE GETS TO A "5"

FOR ME - SO THAT'S PRETTY RAW, THAT'S PRETTY EMOTIONAL, BUT FOR ME TO GO TO A "10", I NEED TO GO TO THE PIECE BELOW, WHICH IS URBAN GREEK (OF COURSE, IT'S NOT A 10+ AS

IN THE PEASANT-FOLK STUFF ELSEWHERE ON THIS PAGE), BUT IT

CONNECTS ME TO MY FATHER IN ATHENS FROM THE COUNTRYSIDE, FROM OUR ISLAND AND NOT BEING ABLE TO "GET AHEAD" IN LIFE, AND THEN MAKING THE DECISION TO GET ON A PARTICULAR BOAT HE CLAIMS "SAVED HIS LIFE" BY STARTING OFF OF COURSE

AS "CHEAP LABOUR" AND THEN THROUGH DECADES OF WORKING VERY HARD AND "SCRIMPING AND SAVING", DOING BETTER ETC. (MY WOMAN ACTUALLY WORKED MUCH, MUCH, UNBELIEVABLY MUCH HARDER THAN FIRST GENERATION MIGRANTS FROM THE AGE OF 3 TO 43 - AND THERE'S A LOT MORE TO ALL OF THAT I'M NOT GOING TO SAY HERE),... WHICH I IN TURN CLAIM "WRECKED MY LIFE". BUT LIFE IS MORE COMPLICATED THAN THAT, BECAUSE APART FROM THE OLD MAN'S DECISION TO GET ON THAT BOAT IN 1955, THERE WAS THE CONTEXT OF THE GREEK STATE, THE WORLD WAR AND THE CIVIL WAR ENDING ONLY A FEW YEARS BEFOREHAND, AND THEN THE CONTEXT OF ZIO-USA IMPERIALISM BUILT ON ZIO-UK AND TO A LESSER EXTENT ZIO-FRENCH IMPERIALISMS (THE "ZIO" CONNOTES THE GROSS DISPROPORTIONATELY OF JEWISH ELITE INVOLVEMENT IN

INTERNATIONAL BANKING AND  
FINANCE, TRADE ETC. FROM WOODROW  
WILSON'S TIME - AND FROM  
BEFOREHAND). ANYWAY, THIS SONG IS  
FAR MORE ELEMENTAL FOR ME THAN  
THE BEETHOVEN TRACK ABOVE, AND  
EVEN THOUGH I SIMPLY ABSOLUTELY  
LOVE CASALS, CORTOT AND THIBAUD  
TO DEATH, DESPITE THE FACT THEY  
ARE TAD DANDY, EFFEMINATE AND  
"GAY"!!! TO SAY THE LEAST!!! OUR  
1940s GREEK REMBETES THOUGH WERE  
NOTHING LIKE THAT EVER AND IT'S TO  
THEM MY SOUL, MY HEART, MY  
EXISTENCE,... **REALLY CONNECTS!!!**
